- Matters not treated as complaints on SCORES

Introduction to SCORES

SCORES is an online platform wherein investors can lodge complaints pertaining to securities market.

This platform is designed for investors to file complaints against:

- Listed companies.
- SEBI-registered intermediaries
- Market Infrastructure Institutions

Website url: https://scores.sebi.gov.in/

SCORES Mobile App available on IOS and Android.

Timeline to lodge complaint on SCORES

- The complainant have to lodge the Complaint against the concerned entity on SCORES
  - Within a period of one year from the date of occurrence of the cause of action.

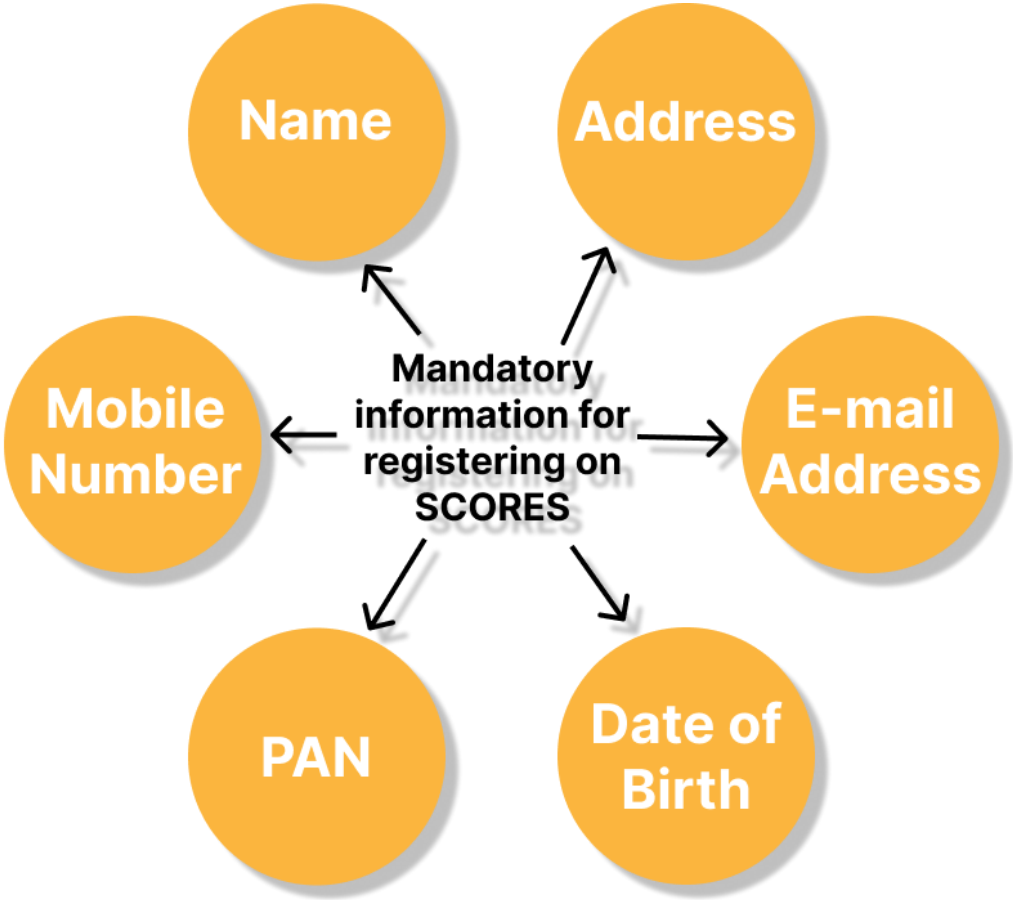

- If any complaint filed on SCORES beyond the limitation period specified above, SEBI may reject such complaint.

Salient Features of SCORES

Uniform timelines for redressal of investor complaints	• 21 Calendar days from date of receipt of complaint
Auto-routing	• Auto routing of the complaints to the concerned regulated entity so as to eliminate time lapses, if any, in the flow of complaints.
Monitoring of Complaint	• Complaints are monitored by the 'Designated Bodies, for timely redressal of the investors' complaints.
Two levels of review	• First review by the 'Designated Body' if the investor is dissatisfied with the resolution provided by the concerned regulated entity. • Second review by SEBI if the investor is still dissatisfied after the first review.
Integration with KYC Registration Agency database	• Integration with database of KYC registration agency database, for easy registration of investor on the SCORES
